PTC Aviation graduates fly high in the new normal

The PTC Group proudly congratulates the graduates of PTC Aviation Training Center who are now fulfilling their dreams of moving the world as flight attendants onboard various local and international airlines. A total of 30 recent graduates from the Center are now serving as bonafide cabin crew members after successfully completing the Center's Blended Flight Attendant Training Program.

JULY 29, 2022

As the travel industry slowly regains its momentum, PTC Aviation Training Center remains committed to providing world-class training to aspiring cabin crew members and aviation technicians who wish to pursue a successful career in the aviation industry.

To help aspiring aviation professionals jump-start their professional dreams, please visit  [PTCAviationTraining](https://www.facebook.com/PTCAviationTraining) for details on the Center's training programs.
