Building resilient communities in Iloilo with PTC's Project RISE

PTC's Project RISE Team successfully conducted its orientation for the Barangay Disaster Risk Reduction and Management Committee (BDRRMC) Members under the *Liga ng mga Barangay* Iloilo City Chapter last September 01 at the Kerr & Co. Building, Iloilo City Proper.

BDRRMC Members from 120 Barangays listened attentively to the plans regarding the implementation of Project RISE components at the barangay level, which includes the facilitation of the Master of Disaster (MOD) Board Game that may be integrated with the Barangay DRRM Initiatives.

The PTC Project RISE team started its Iloilo City visit through a courtesy call with Mayor Jerry Treñas, where the target project components, which will benefit Ilonggo youth and residents, were discussed.

Mayor Jerry Treñas appreciates the team's effort and thanked them for including Iloilo City as part of Project RISE. The team presented him with a Master of Disaster (MOD) Board Game to thank him for his support.

Project RISE also conducted an orientation for SK Chairpersons and Officials under the Iloilo City SK Federation on August 31. All SK Chairpersons and Officials who participated in the activity enjoyed an afternoon of meaningful discussions about the role of youth in disaster preparedness and resiliency initiatives.
