## *PHILCAMSAT and ERMA First conduct Ballast Training for Navios*

PHILCAMSAT and ERMA FIRST recently conducted a training on Ballast Water Treatment System for the crew of ERMA FIRST's client Navios Maritime. Navios Maritime's top management representatives flew to Manila to witness the training firsthand.

*PHILCAMSAT's Rheena Sollorin and C/E Alfredo Haboc together with Navios' Sezenias Vasileios, Technical Director; Kotsias Ioannis, Navios Technical Manager; Kalogirou Stratos, DPA; Lignos Michael, Navios Senior Compliance Council; Capt. Syrakoulas Nikolaos, Senior Marine Superintendent; and Capt. Milutin Gojkovic.*

Founded in 2009 and headquartered in Greece, ERMA FIRST is one of the top manufacturers of ballast water treatment systems (BWTS). ERMA FIRST provides sales, maintenance, and training services to its clients via a global network of offices in 46 countries. PHILCAMSAT is the only training provider in the Philippines accredited by ERMA FIRST to conduct and issue certificates for ERMA FIRST courses.
