## *PTC Aviation Training Center signs MOA with First Aviation Academy*

PTC Aviation Training Center Inc. signed a memorandum of agreement (MOA) with First Aviation Academy (FAA) to provide hands-on internship to qualified trainees coming from its 20-day Aviation Technician Advanced+ Training Course. PTC Aviation trainees will have the opportunity to observe and perform aircraft maintenance tasks as instructed and guided by FAA's licensed technicians.

First Aviation Academy is a CAAP Approved Training Organization offering an Ab Initio Pilot Training Program leading to a Commercial Pilot's License. They operate a fleet of TECNAM (single/twin engine) and CESSNA (single engine) training aircraft. The academy is located at Subic Bay International Airport.
