

PTCAT expands its Farmacia ni Dok network

To provide accessible and affordable medicines and health care products to more Filipinos, PTCAT continues to expand its network of Farmacia ni Dok (FnD) branches with the reopening of FnD Paliparan last October 28. The outlet is located inside Ever Supermarket on Paliparan Road, Dasmariñas, Cavite.

FnD Taguig has also reopened at 513 M. L. Quezon St., Taguig City. To welcome back its clients, the branch offered free Fasting Blood Sugar testing and BP monitoring for members of the Taguig community. Prior to the event, FnD Pharmacy Assistants visited the neighborhood to announce the branch opening and inform the community of their online ordering and convenient delivery services.
