

Project

RISE

*expands its
advocacy to
universities*

The PTC Project RISE Team met with the deans and officials of Pamantasan ng Cabuyao (PnC) last May 04, 2022, to discuss the proposed rollout of Project RISE components in the university.

PnC Officials, headed by Vice President for Research and Extension Dr. Gie Bautista-Camarinta, expressed their interest and support for the proposed Project RISE components, which will be piloted in the City of Cabuyao through the university.

PTC Project RISE also expressed its intent to form a partnership with Pamantasan ng Cabuyao to develop resilient communities, and resilient lives.
