

## *kicks off Master Trainer Program in Bacoor City*

Project RISE kicked off its Master Trainer Program (MTP) in Bacoor City through its partnership with the SK Federation City of Bacoor and Bacoor Disaster Risk Reduction & Management Office (BDRRMO).

The PTC Project RISE Team supported the Master Trainer Program (MTP), facilitated by the Asia Society for Social Improvement and Sustainable Transformation (ASSIST), for Bacoor City SK Officials and BDRRMO personnel last August 20, 2022. The participants were comprehensively and extensively trained on disaster preparedness by Mr. Fred Dalumpines of Aboitiz Foundation and enjoyed a session of the Master of Disaster (MOD) Board Game which helped them to learn how to respond to certain disasters.

Congresswoman Lani M. Revilla graced the event and thanked both PTC and ASSIST for conducting Project RISE in Bacoor City so that the SK Officials may be able to contribute and take part in the disaster resiliency efforts in their respective barangays. All SK Officials who underwent the MTP were certified as Master Trainers and will now train Kabataang Bacooreños across 73 barangays in disaster preparedness and resiliency.
